Why not sponsor your local disabled RDA rider this year, and get your company noticed in the equine market. You may not realise the potential customers you haven't reached yet. Lynne would be able to put your website link and Company Logo onto her website.

Lynne needs sponsors so that she can reach the RDA National Championships in July, any amount of sponsorship is welcome. Take a look at Lynne's website, and see what this rider's success can bring, for your company's advertisement, to a market audience you may not have realised yet in 2012
